RE: Contract SP-1917  
Hal's letter of 20 Feb. 1959

Dear Hal:

We have used your referenced letter as authority to change Shippers GS-SP-2497 from Item 88, SP-LAC 1742 to Item 69, SP 646 SP and have processed as a supplemental payment to Invoice 1-12 a check in the amount of \$15.80.

If you will recheck Shippers GS-SP-2497 and GS-SP-2135, Hal, you will see we were correct in making our original suspension since both shippers call for 20 pints of Item 88.

Yours very truly,

Doug
